2020 ENDANGERED SPECIES

On 17 February 2020, UNPA will issue its 2020 Endangered Species stamps, which focus on the plight of migratory species. For this year's series, UNPA has partnered with both the Convention on International Trade in Endangered Species of Wild Fauna and Flora (CITES) as well as the Convention on the Conservation of Migratory Species (CMS) to help raise awareness about the plight of these endangered animals.

The stamps will be issued in conjunction with the thirteenth session of the Conference of the Parties to the Convention on the Conservation of Migratory Species of Wild Animals (CMS COP13), which will be held from 15–22 February 2020 in Gandhinagar, India. The theme for the conference is "Migratory species connect the planet and together we welcome them home".

ENDANGERED SPECIES FOLDER

The 2020 Endangered Species folder is a specially designed album with descriptive information about each species in English, French and German. Each stamp is beautifully highlighted by a colourful array of photographs and information relating to the species. It should be noted that the Endangered Species stamps will not be included in the 2020 Annual Collection albums. The folder is available in mint and cancelled condition.

Item No. 424.4831

SPECIAL LIMITED EDITION – SILK FIRST DAY COVERS

UNPA will issue a limited-edition Endangered Species silk cover to accompany the stamp series. A single stamp, one from each office, is affixed and cancelled, as appropriate, from New York, Geneva or Vienna. The covers are consecutively numbered. The covers will be provided to customers who maintain a standing order account for New York miscellaneous products. All other customers can purchase the covers by using the order form at the back of this *Bulletin*.

ACT NOW CLIMATE ACTION NEW YORK SPECIAL EVENT SHEET

On 27 March 2020 UNPA will issue a special event sheet to promote the ACT NOW Climate Action campaign. The sheet of 10 stamps in the denomination of $1.20 feature 10 global actions that people can take in their daily lives to confront the climate crisis and help the planet.

ACT NOW is the United Nations global call to individual action on climate change. The campaign is a critical part of the United Nations coordinated efforts to raise awareness, expand ambition and promote action for climate change and accelerate implementation of the Paris Agreement.

Primarily an online and social media campaign, ACT NOW educates and encourage individual actions, mainly by promoting the adjustment of consumption patterns. By changing our habits and routines and making choices that have less harmful effects on the environment, we have the power to confront the climate challenge.

Small changes can make a big difference if we all work together. Be a part of the movement. ACT NOW has invited people around the world to share their individual contributions to climate change. To find out more about the campaign and show your support visit www.un.org/en/actnow/. #ActNow

Customers with standing order requirements for special event sheets will automatically receive these items through their accounts. All other customers can purchase these sheets in either mint or cancelled condition by using the order form attached to this *Bulletin*.

Euro 1,80 souvenir sheet - 21,000

Item No. 394.4801

2020 CHINESE LUNAR CALENDAR – YEAR OF THE RAT NEW YORK SPECIAL EVENT SHEET $1.20

On 10 January 2020, UNPA continues its Chinese Lunar Calendar series with the issuance of a special event sheet celebrating the Year of the Rat. This is the eleventh sheet issued for UNPA's Lunar New Year stamp series. The sheet is composed of 10 $1.20 denominated stamps with the United Nations logo. The tabs of the stamps and background design feature artwork designed by Yin Huili (China).

The Year of the Rat is the first sign in the Chinese zodiac cycle. According to myth, the Jade Emperor said the order of the animals would be decided by the order in which they arrived at his party. The rat tricked the ox into giving him a ride. Then, just as they arrived at the door, the Rat jumped down and landed ahead of the ox, becoming the first to arrive.

The rat is the Chinese zodiac sign known for being inquisitive, shrewd and resourceful. In Chinese culture, rats are a sign of wealth and surplus. Rats are clever, quick thinkers. They are successful, but content with living a quiet and peaceful life. Since the rat is the first in the rotation of the 12 zodiac signs, the Year of the Rat is considered a year of new beginnings and renewal. When the Rat year comes, it generally delivers new experiences with favourable outcomes for all of the zodiac signs.

Customers with standing order requirements for special event sheets will automatically receive these items through their accounts. All other customers can purchase these sheets in either mint or cancelled condition by using the order form attached to this bulletin.

HELLO KITTY AND GLOBAL GOALS

On 19 March 2020, UNPA will issue a set of six mini-sheets featuring Hello Kitty and the Global Goals, also know as the Sustainable Development Goals. The self-adhesive stamps are blank with several Hello Kitty elements in the tab, which can be incorporated on the stamps, creating their own personal designs.

The United Nations and Sanrio Co., Ltd. launched a strategic collaboration to promote the Sustainable Development Goals. Through the collaboration, Hello Kitty highlights six of the 17 Goals introducing them through the #HelloGlobalGoals global video series.

The six SDGs featured on the UN stamps are as follows: Goal 3 – Good Health and Well-Being; Goal 4 – Quality Education; Goal 5 – Gender Equality; Goal 11 – Sustainable Cities and Communities; Goal 13 – Climate Action; and Goal 14 – Life Below Water.

"Hello Kitty is bringing her enormous fanbase to our global efforts to educate young people, in every part of our world, about the Sustainable Development Goals, and why they should be involved in achieving them." said Melissa Fleming, Under-Secretary-General for Global Communications, United Nations.

Three accordion booklets, which contain six different stamp sheets, will accompany the stamp series.

EARTH DAY 2020

Earth Day has been observed on 22 April each year in many countries since 1970. The United Nations General Assembly designated 22 April as International Mother Earth Day in 2009.

The Earth and its ecosystems are our home. In order to achieve a just balance among the economic, social and environmental needs of present and future generations, it is necessary to promote harmony with nature and the Earth.

Earth Day, also known as International Mother Earth Day, is celebrated to remind each of us that the Earth and its ecosystems provide us with life and sustenance.

Earth Day also recognizes a collective responsibility to promote harmony with nature and the Earth to achieve a just balance among the economic, social and environmental needs of present and future generations of humanity.

THE DESIGNS

For this stamp issue, UNPA has selected six artists whose works are influenced by environmental issues. Each sheet contains an artist's statement describing how the planet and sustainability has inspired their work.
