

LETTER FROM THE CHIEF

The word celebrate was the theme in the philatelic journal Fascination No. 339-1/2014. Now the United Nations Postal Administration in New York, Geneva and Vienna would like to celebrate our former Chief, David Failor. At the end of January, Dave retired from the United Nations to be able to spend more time with his wife Ruth and their family. We would like to thank Dave for his leadership as well as for all of the great work he contributed to UNPA's philatelic programme in the past three years. Speaking on behalf of UNPA staff, his colleagues and collectors, we wish him all the best in his future endeavours.

Several years ago the United Nations Educational, Scientific and Cultural Organization (UNESCO) named 30 April as International Jazz Day. On 30 April UNPA will be issuing stamps to celebrate Jazz Day. We are very excited about these images created by Sergio Baradat and we hope you will be pleased too. To learn more about the events for this special day, please visit www.jazzday.com or www.unesco.org/jazzday.com

In May, we celebrate the 35th Anniversary of UNPA Vienna by releasing a new Vienna Greetings Personalized stamp sheet. In the following months we will update both the definitive stamps from all three offices and the New York postal stationery with new denominations to comply with recent rate changes. These stamp designs are reminiscent of the graphic stamp designs issued by UNPA in the 1950's and we are sure you will be happy to add them to your collection.

Thank you for your continued support and interest in United Nations stamps.

Edward M. Hynes Officer-in-Charge United Nations Postal Administration

JAZZ

he United Nations Postal Administration (UNPA) will issue new postage stamps and a souvenir card to celebrate International Jazz Day on 30 April 2014. The stamps, featuring three mini-sheets of twelve stamps were designed by Sergio Baradat (United Nations).

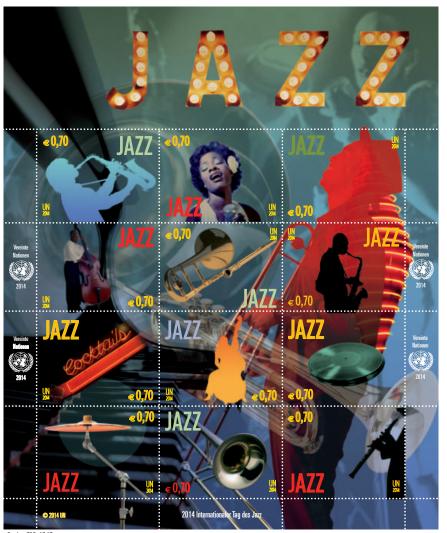

Jazz is a unique American musical art form that originated at the beginning of the 20th century. It is rooted in African traditions, draws from European musical forms, and has evolved into various styles across the globe. For over a century, Jazz has united people of different cultures, religions and nationalities. It serves as a universal language and highlights the musical genre's role as a powerful communication tool for peace, dialogue and cooperation.

In 2011 the United Nations Educational, Scientific and Cultural Organization (UNESCO) proclaimed 30 April as "International Jazz Day". Each year, this international day brings together communities, schools, artists, historians, academics and jazz enthusiasts all over the world to celebrate and learn about the art of jazz, its roots, its future and its impact.

International Jazz Day events, which are organized by UNESCO and the Thelonious Monk Institute of Jazz, highlight the historic influence that the genre has had in connecting people and igniting social change. The Global Host City for 2014 is Osaka, Japan. Concerts, conferences and discussions about jazz and its principles will be ongoing throughout the day across the globe as well as in local communities.

Mr. Baradat, the artist of the stamp series had the following to say about the designs:

"This was a wonderful project to work on. I approached it as a multi-faceted piece of art where each stamp is a collage onto itself, in tandem with the other pieces to create one large composition. I was inspired by the abstraction that is Jazz; I wanted to give the designs atmosphere and a sense of sound through colour. Along the way, I listened to old favourites: Chet Baker, Billie Holiday, Nina Simone, Duke Ellington and a host of others from the 1920's through 1950's."

NEW "GREETINGS FROM VIENNA" PERSONALIZED STAMP SHEET

35 YEARS UNPA VIENNA AND VIENNA INTERNATIONAL CENTRE

oinciding with the opening of the 24th International Stamp Fair Essen on 8 May 2014, the United Nations Postal Administration (UNPA) will issue a new Personalized Stamp Sheet to commemorate 35 years Vienna International Centre (VIC) as well as the 35th Anniversary of UNPA Vienna. The sheet was designed by Eduardo Sinoy (United Nations) and will be available for personalization at the UNPA Vienna Personalized Stamp Shop.

The sheet with ten different stamps in the denomination of Euro 0.70 features five etchings by the famous Austrian painter Kurt Regschek alternating with five photos of the different buildings of the VIC by Dean Calma (IAEA).

Kurt Regschek (1923-2005) was an Austrian painter and exponent of the Vienna School of Fantastic Realism. He left the group in 1965 and pursued his own path.

Numerous works were created in the context of several exhibitions, among them the UNO City portfolio. From the late 1970s, Regschek began to move away from panel paintings, turning instead to watercolour painting and collaborating increasingly with photographers. In 1987, Regschek was awarded the honorary title of Professor.

During an interview about his biography, he said: "I know that a biography is necessary, but I don't like it when artists turn themselves into works of art."

Dean Calma works at the International Atomic Energy Agency covering press photography and other major events.

The tabs next to the stamps contain the logos of the five Vienna headquarter based UN organizations UNOV, IAEA, UNODC, CTBTO and UNIDO alternating with an abstract image depicting "35 years United Nations in Vienna". The background design features an aerial view of the VIC, the United Nations emblem as well as the text "35 Years Vienna International Centre".

Customers with standing orders for Personalized Stamp Sheets Vienna (Art. 94) will automatically receive this item through their accounts. All customers can purchase this stamp sheet using the attached order form 2/2014 while stocks last.
