# SPORT FOR PEACE 2022 BEIJING WINTER OLYMPICS

On 14 January 2022, the United Nations Postal Administration (UNPA) issued new "Sport for Peace" stamps to celebrate the 2022 Beijing Winter Olympics. The XXIV Olympic Winter Games are scheduled to take place from 4 to 20 February 2022 in Beijing in the People's Republic of China.

In December 2021, the UN General Assembly adopted the Olympic Truce for Beijing 2022, highlighting the contribution of sport to the promotion of peace and solidarity.

The resolution entitled "Building a peaceful and better world through sport and the Olympic ideal" calls for the observance of the Olympic Truce for the Olympic and Paralympic Games Beijing 2022, from seven days before the start of the Olympic Games, on 4 February 2022, until seven days after the end of the Paralympic Games.

The Olympic Games provides a meaningful opportunity to harness the power of sport to foster an atmosphere of peace, development, resilience, tolerance and understanding among nations.

This is the first time that UNPA has issued stamps for the Olympic Winter Games.

# CHINESE LUNAR CALENDAR – YEAR OF THE TIGER 2022

**NEW YORK SPECIAL EVENT SHEET \$1.30**

On 21 January 2022, the United Nations Postal Administration (UNPA) celebrated the Chinese Lunar Calendar with the issuance of a special event sheet for the Year of the Tiger. The new lunar year officially begins on 1 February 2022 and ends on 21 January 2023.

The year 2022 marks the start of a new Chinese zodiac cycle for UNPA, as it completed the entire series of twelve animals in 2021. For this new cycle, UNPA is debuting a new sheet design and format. The ten \$1.30 denominated stamps feature the illustration of a Tiger, and the tabs to the left of the stamps have the United Nations logo. The stamp sheets may be personalized with a photograph in place of the United Nations logo.

The stamps and the background of the sheet were illustrated by Tiger Pan (China), who also illustrated the Chinese Lunar Calendar Year of the Dog stamps in 2018.

A special Year of the Tiger postcard featuring the same illustration as the stamps is also being issued.

# #TROLLSFOODHEROES BE A FOOD HERO LIKE THE TROLLS

**NEW YORK SPECIAL EVENT SHEET \$1.30**

On 22 February 2022, UNPA will issue a New York special event sheet for the #TrollsFoodHeroes campaign.

As part of the International Year of Fruits and Vegetables, the Trolls have joined the United Nations, the Food and Agriculture Organization of the United Nations (FAO) and the United Nations Foundation in a global digital campaign to mobilize action for a healthy diet and sustainable living and add these actions to the United Nations ActNow initiative.

The happy and colourful characters from the DreamWorks Animation movie, Trolls, encourage their fans to become food heroes through eating healthier and reducing food waste.

The sheet of ten \$1.30 stamps features artwork and messaging for the campaign. The tabs of the stamps show the ActNow sustainable development goals logo.

You too can be a food hero like the Trolls by making choices that are good for your health and for the planet! #ActNow and help build a healthier planet. Go to [www.un.org/actnow](http://www.un.org/actnow).

# 2022 ENDANGERED SPECIES

On 18 March 2022, the United Nations Postal Administration will issue its 2022 Endangered Species stamps.

For over 25 years, UNPA has issued stamps to celebrate the many beautiful and varied forms of wild fauna and flora, and to raise awareness about the multitude of benefits that conservation provides to people.

The Convention on International Trade in Endangered Species of Wild Fauna and Flora (CITES) is an international agreement between governments. It is a legally binding, multilateral agreement that sets the rules for international trade in wildlife.

The Convention regulates international trade in more than 38,000 species of wild animals and plants. Its purpose is to ensure that this trade is legal, sustainable and traceable, and that international trade in specimens of wild animals and plants does not threaten their survival.
